Artists and program specifics are subject to change. Subscribers may exchange tickets within the season, however we cannot refund price differences nor credit unused tickets after the event has passed. CCS only issues refunds for cancelled events that are not rescheduled or replaced. Thank you for your understanding.

Orders received by **May 31<sup>st</sup>** are seated first. Requests arriving after will be processed in order of receipt. Tickets are mailed in mid-August. **Note:** our offices close June-July but continue to receive mail.

Packages offered this season are: **Complete Season, Classical Bailey, and Four-or-More.** Order additional single events or seats with a package to receive subscriber pricing and seat assignments. Full-time college students may purchase up to a pair of student rate subscriptions - we will contact student patrons in August to re-confirm mailing address and enrollment status. More information about the artists, programs, venues and parking can be found online at [CornellConcertSeries.com](http://CornellConcertSeries.com).
